**Erratum to: Paddy Water Environ**  
**DOI 10.1007/s10333-010-0230-6**

For two data points in Table 3 of the article conversion of the numbers from quintals per ha to tons per ha was not done. In the second and third rows of the third column of Table 3,  $8.38 \text{ t ha}^{-1}$  should be  $0.83 \text{ t ha}^{-1}$ , and the  $-5.45 \text{ t ha}^{-1}$  should be  $-0.55 \text{ t ha}^{-1}$ . The mistake is regretted.
